5. (Discussion) Based on the following quote, how serious is the conflict between good and evil?

“I was shown that Satan cannot control minds unless they are yielded to his control. Those who depart from the right are in serious danger now. They separate themselves from God and from the watch-care of the angels of God, and Satan, ever upon the watch to destroy souls, begins to present to such his deceptions, and they are in the utmost peril. And if they see and try to resist the powers of darkness and to free themselves from Satan’s snare, it is not an easy matter. They have ventured on Satan’s ground, and he claims them. He will not hesitate to engage all his energies, and call to his aid all his evil host to wrest a single human being from the hand of Christ.

Those who have tempted the devil to tempt them will have to make desperate efforts to free themselves from his power. When they begin to work for themselves, then angels of God whom they have grieved will come to their

rescue. Satan and his angels are unwilling to lose their prey. They contend and battle with the holy angels, and the conflict is severe. And if those who have erred continue to plead, and in deep humility confess their wrongs, angels who excel in strength will prevail and wrench them from the power of the evil angels.
